

# Style slipups

SHAR JACKSON to her stylist: I said something great, not grape!

KIM KARDASHIAN at an event in L.A.

KEYSHIA COLE at MTV's TRL

HELEN MIRREN at the LA premiere of Enchanted.

NAOMI CAMPBELL at a party in Madrid.

**Disco disaster**  
**JILL:** Uh-oh. It looks like she and Britney are sharing wardrobes now, too!  
**DANIELLE:** She's got that "I used to date Kevin Federline" scowl about her.  
**BERNIE:** You did ask Robin Hood's permission before you borrowed his boots, right?  
**BRIAN:** So I guess Barney has a daughter?

**Dangerous curves**  
**SUZETTE:** When my TV looks like this, I change the channel.  
**JOSH:** Her inspiration: a Chinese finger trap.  
**MICAH:** Those stripes are straight — when you're wearing the right size.  
**BOB:** Is anyone else having an LSD flashback?

**A fright in white**  
**STUART:** Someone's been shopping at Baby Gap again.  
**KATINA:** Keyshia Cole? In that getup, it's more like Keyshia Cold!  
**BERNIE:** This look was created by Keyshia's niece...in arts and crafts class.  
**SHELAGH:** Yes, Keyshia, the doctor will see you now.

**Tinfoil couture?**  
**SUZETTE:** Shoes can totally make an outfit. Or, you know, not.  
**BRIAN:** When people can see their reflection in your blouse, it's not a good thing.  
**BOB:** How festive — she's dressed as a Christmas ornament!  
**BERNIE:** Clothes worthy of a queen, shoes worthy of Strawberry Shortcake.

**Fur-ocious fit**  
**JOSH:** Someone help! Naomi's being attacked by a giant ferret!  
**DANIELLE:** When my cat died, I stuffed her. I didn't wear her out on the town.  
**MIKE:** What a chic combination: chinchilla meets shower curtain.  
**MICAH:** She should have to do more community service after wearing that.
