

What was AUBREY O'DAY's inspiration? That nervous feeling in her stomach from wearing this in public.

Butterfly bomb

JOSH R.: Just before this, she was attacked by a gang of third-graders wielding glue guns.
CAROLYN: How cute! She matched her dress to her MySpace-page background.
JOSH B.: Did a My Little Pony get sick all over her?
JEFF: Looks like it's prom night again at the asylum.

EVA LONGORIA shopping in NYC.

What a washout

KATHY: Let's hope she doesn't get lost in a snowstorm — no one would find her!
MICHELE: Well, that's one way to make sure it's a white Christmas.
JOSH B.: In its former life, her pocketbook was a deep-sea clam.
CAROLYN: Eva's modeling the latest in street wear from the Alaskan mafia.

SHARON STONE out and about in LA.

Tracksuit couture?

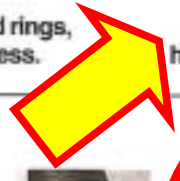

THEO: Looks like someone's been raiding David Beckham's closet again.
SUZETTE: Unfortunately, in this case her basic instinct was way off.
KRISTIN: "It's laundry day, and you wouldn't believe what I'm down to."
CAROLYN: Skullcap and Ugg boots? Does that make her a Crip or a Blood?

GEMMA WARD at a ceremony in Madrid.

A dress to dye for

JOSH R.: That outfit is a result of DVD — drinking while designing.
BOB: What Little Bo Peep would look like if she did adult films.
DANIELLE: My legs are freezing just looking at her.
HARRY: Forget about mood rings, now there's the mood dress.

Designer VIVIENNE WESTWOOD in London.

Electroshock chic

CAROLYN: Wow, Carrot Top's mother has got it going on!
DANIELLE: What happens when Ronald McDonald stops taking his meds.
THEO: Didn't a house fall on that outfit in *The Wizard of Oz*?
SUZETTE: Maybe she had to leave the house before she could finish her sewing.
