MIKE: Did she buy that outfit at a petting zoo?

JOSH: Those boots are made for walking... through Antarctica.

MICHELE: Her look is so retro — it's from the 1500s.

Multicolor mess

MIKE: It's Phoebe and the amazing technicolor afghan!

SHELAGH: Did she steal that from the *Brady Bunch* set?

KATINA: She looks like a human Hacky Sack.

MICAH: The dress that also doubles as a gay-pride float.

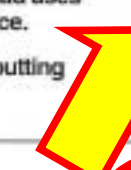

Ho-ho-horrible

MIKE: The Donald only wishes his hair could do that.

BOB: Good to know she's following the family tradition of bad taste.

SUZETTE: In the summer, her dad uses that coat for putting practice.

MICAH: Well, she certainly is putting the "pea" in peacoat.

SUZETTE: I love that her version of slumming it includes a Birkin bag.

KATINA: The gypsy says, "I see no sense of style in your future."
