

# Style slipups

Even the most fashion-savvy stars make mistakes!

## Fatigues faux pas

**KATINA:** Bai Ling? More like Boy Ling.

**DANIELLE:** How odd that she's not wearing shoelaces — she put on everything else in her closet.

**JOSH:** Isn't the most crucial element to the skateboard look a skateboard?

**MICHELE:** Well *that's* original — she matched her hair to her sneakers.

For BAILING, this outfit's conservative!

**KELLY ROWLAND** at the MTV Europe Music Awards.

## Thinking too pink

**MICAH:** I'm shocked she can fit into Prince's clothes.

**SHELAGH:** She's not so abreast of the latest trends.

**SUZETTE:** My Barbie has the same outfit. In the same size.

**KRISTIN:** Um, are those dream-catcher earrings?

**KYLIE MINOGUE** at the Music Industry Trust awards in London.

## Diamond in the rough

**KRISTIN:** Goes to show what you can do with a gown, a Bedazzler and some free time.

**KATINA:** That dress is sick — it's throwing up diamonds all over her!

**VILMOS:** You'd think she could find a couture gown that doesn't look like a pipe cleaner.

**BERNIE:** What a fancy dust ruffle.

**JULIETTE LEWIS** performing with her band, Juliette and the Licks, in Florida.

## Holey nightmare

**ETHAN:** Talk about bad tan lines.

**MICAH:** Is she waiting for the audience to throw better costume choices at her?

**SHELAGH:** Her band really needs to raise some money for a shirt budget.

**MICHELE:** I hope she didn't pay full price for that top — there's only half of it.

**WHITNEY PORT** shopping in West Hollywood.

## Flannel and flip-flops?

**SUZETTE:** Someone should tell her she's on *The Hills*, not *The Ozarks*.

**THEO:** Looks like someone got lucky with a lumberjack last night.

**SHELAGH:** For just pennies a day, you can help this reality star buy some clothes.

**JOSH:** It's cute to wear your boyfriend's stuff around the house, not out of the house.
